

Emam Al Mounqer

Full-Stack Developer

+962 777 34 9925

emam.anagreh@gmail.com

Irbid, Jordan

Profile

From the time I wrote the first code, I fell in love with programming; even after graduating from another field, I was still considering shifting my career to be a web developer, and that is why I started my journey to be what I want my career to be.

Education

Full-Stack Web Development

Aug 2021 – May 2022 · The Odin Project

Full stack curriculum supported by a passionate open source community.

Graduation - Bachelor's in Civil Engineer
